Dear Choir Family,

Summer is upon us and I'm sure your schedules are booking quickly! While you are making your family's summer plans, I wanted to remind you of a few summer activities that involve your child.

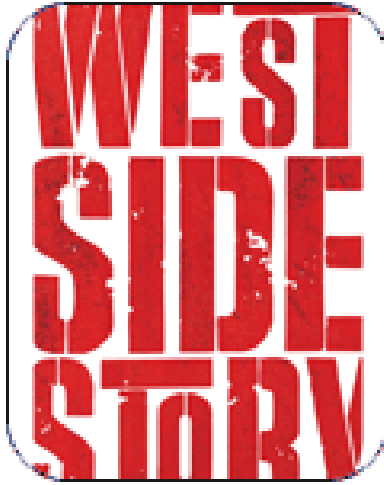

This summer's Choir Camp will be held Tuesday through Thursday, August 10-12 from 8 AM until Noon. All choir members are **required** to be at this camp. This provides our first opportunity to meet new members, build morale, and most importantly prepare music for our concert season. I have enclosed a flyer with more information

In February the Choir will be traveling to Memphis, TN for their annual trip. Trips of this magnitude are only possible through the generous support of the music families themselves. Two of the most vital means of support include volunteering your time at one or more of the activities, and by joining the Choir Parents Association. It is through the Association that we are able to bring groups like Ball in the House and take exciting trips to perform locally and nationally.

More than 140 students are enrolled in the HS Choral Program for the 2010-2011 school year. Your support of the music programs at Marple-Newtown is greatly appreciated. Please consider helping out to make this coming year one your child will remember.

Enjoy your summer!

Mr. Christopher Vogel
Director of Choral Music
