

Tri-M Music
HONOR SOCIETY

Marple Newtown High School – Chapter #764

Community Service Log

(Use one form per activity supervisor)

Service logs should be submitted with the annual membership application or renewal packet. Members will be expected to complete a minimum of 40 hours of community music school year, in order to maintain their membership. Service hours should involve some type of music service – i.e. performing without compensation or grade, work for the MNHS music department, tutoring middle school or beginning high school students with the approval of the director. Service hours cannot be used as other types of required community service for other activities or Honor Societies - the hours can only be used once! Check with the music faculty first to verify that an activity will count as service if you have questions.

Service hours are due May 1, 2016.
